Spectacularly sited on a cliff-top promontory where the rainforest meets the sea on Dominica, “The Nature Island” of the Caribbean, is Secret Bay—among the leading boutique resorts in the world and an acclaimed Relais & Châteaux property. The secluded six-star, all-villa resort is comprised of elegantly appointed, residential-style villas, each with a private plunge pool and dedicated villa host, on-call concierge, chefs and guides, access to a secret beach and transformative experiences curated specifically for each guest.

Celebrated for its commitment to sustainability and authenticity, Secret Bay is the embodiment of a holistic hideaway where guests are afforded the rare opportunity to revel in ethical luxury.

## Ultra-Luxury Architectural Villas

Secret Bay's award-winning villas are world-renowned for their artful fusion of high design and local craftsmanship, forming open-air luxury residences enveloped in nature's lush embrace. As a resort composed entirely of sustainably-sourced materials and certified Green Globe, Secret Bay exists in beautiful equilibrium of responsibility to its environment and commitment to guest comfort. A dedicated villa host tends to guest needs and offers extensively personal service, from selecting mattress firmness to arranging pre-stocked refrigerators, planning excursions, booking decadent spa treatments or suggesting unimagined luxuries, consistently tailoring the Secret Bay experience to the desires, lifestyles and preferences of each individual guest.

Secret Bay's villas feature expansive indoor and outdoor living spaces, inclusive of private plunge pools, contemporary gourmet kitchens, free-standing tubs and pillow hammocks. Whether one desires entirely panoramic ocean vistas from Zabuco, serene rainforest seclusion in Ylang Ylang or an under-the-radar two-story hideaway in Ti-Fèy, guests can rest assured that each villa offers the most luxurious sanctuary to retreat and reconnect with nature, one another and self.

## Your Idyllic Getaway

Secret Bay's luxurious resort amenities complete the most unrivaled, romantic island escape. Begin your day with a rejuvenating yoga class at the riverside Bwa Mang Wellness Pavilion, find peace at the treetop Gommier Spa, delight in the innovative "no menu" dining experience at open-air Zing Zing restaurant and cap your evening with cocktails on the cliff edge Vetiver Sunset Deck overlooking Secret Beach. This is, truly, paradise found.

Both within and beyond resort grounds await a host of perspective-shifting, life-altering experiences. Whether you choose to journey "within" alongside our seasoned healers, explore the living, breathing rainforest or rappel into the depths of the island on a waterfall canyoning adventure, guests are guaranteed to leave Dominica forever changed.
